# CAROL - SOMERSET

My name is Carol, I am a qualified English and TESOL teacher with a PGDip (Post Graduate Diploma) in English and Art History, a Degree in English, a PGCE (Post Graduate Certificate) in Secondary English, a PGCE (Post Graduate Certificate) in SEN (Special Educational Needs) and a Trinity Cert TEFL.

I worked in Education as Head of English, Head teacher and Director of Education for 20 years before gaining my Trinity Cert TESOL and moving into further education and British Council accredited Language schools.

I have taught students from 5 to 65 years old, and from beginners to proficiency level. My students come from all over the world including Spain, Italy, France, Germany, Japan, Switzerland, Russia and Poland.

I have three grown up children, Stewart, Sophie and Camilla and four grandchildren. We enjoy spending time together. I like Art, photography, traveling, cooking, gardening, eating, reading, writing and teaching English.

# ANNA - BOURNEMOUTH

I like working as an English language tutor because I love meeting people and I enjoy showing people the beautiful city of Bournemouth.

I live with my husband Terry, my grown-up daughter Mandy and Luca the dog.

I have had a long career as an English Language trainer and have enjoyed teaching students from many different nationalities. I can teach general, exam or business English. I also train teachers and have written text books.

I have many hobbies and interests, for example walking Luca my dog, cooking and learning Italian.

I look forward to welcoming you to our home soon.

# ALISON - BRIGHTON

I really enjoy home tuition because I can personalise a course for every individual student as well as immerse them into daily life which is so important when learning a language.

I share my house with my partner Sean who is a Street artist. We are both quite creative, I also paint and I play the violin. I am vegetarian, verging on vegan but Sean eats meat so we can cater for all diets.

# SARAH - BATH

I love meeting people from all over the world and helping them with their English language journey. The results from one-to-one teaching in an intensive "home" environment are fantastic and really complement a classroom experience.

I live with my husband and a yellow 5 year old labrador called Summer - she is very friendly and likes to meet new people.

A student staying with me will enjoy a relaxed environment and being part of an extended family - my sister lives 6 doors from me, another sister on the other side of the city. Nieces and nephews live close too and often we all get together and anyone staying with me is also very welcome.

Having worked within the IT sector for a number of years, I have been teaching now for 14 years one-to-one and have a very good track record of helping students to improve their use of the English language.

# FAQ

## HOW DO YOU CONSIDER MY PREFERENCES?

After you have completed your booking, we ask you to complete a detailed questionnaire and we speak to you to understand what your priorities are from this English language learning experience. All our hosts are highly qualified and able to tailor the course and experience to your interest and requirements.

## HOW WILL THE HOST PREPARE FOR THE LESSONS AND LEVEL?

Once you have been allocated a host, we will arrange a 15-minute call to introduce you to your host. During this call we can assess your level and you can specify any topics you would like covered in your lessons. This enables us to tailor the lessons for you and ensure you will be getting the most out of your stay.

## CAN I CANCEL AFTER I HAVE MADE A BOOKING?

Yes, you may cancel but you must give 15 working days notice in writing. Home Tuition is a unique experience and the trainers do a lot of preparation in advance to ensure the course is tailored specifically to your needs and requests. We are unable to fill the spaces at short notice.

## CAN I CHOOSE MY HOST?

No – but you can help us choose the perfect host for you. We work in great detail to match our clients to the host. We know our hosts well and take feedback from clients who have experienced living and learning with them. Our hosts are experienced and have been running home tuition for many years. We also take great care in understanding you, what you are hoping to achieve and the type of environment and host to suit you. This matching process has resulted in many happy partnerships over the years.

## DO YOU CATER FOR SPECIFIC DIETARY REQUIREMENTS?

Yes, we can cater for most requirements. Please specify these on the form when booking so we can match you with a host who can accommodate these.

## IS THERE HELP WITH TRANSPORT TO THE HOST LOCATION?

We can help to arrange all transfers to and from airports, train stations and from our school in Holland Park Gardens.

## HOW LONG ARE THE COURSES?

We recommend 1 to 2 weeks. A 1-week course is for 6 nights, a 2-week course is for 13 nights as this includes the Saturday night in the middle.

If you want to study for longer, we suggest you then transfer to our London school in Holland Park.

Yes, you may postpone a course by giving 15 working day's notice in writing. We are unable to fill the bookings at short notice due to the level of preparation carried out by the trainers ahead of your visit.

## CAN I PAIR WITH A COURSE IN THE SCHOOL?

This is a great way to extend your language tuition. You can continue your tuition at our London school in Holland Park, either on a one-to-one basis or in small class groups. In London, we offer a variety of accommodation including homestays, catered accommodation and self-catering. There is also a social calendar of events available to you if you would like to mix with the other students outside classes.
